June 2008 Client Bulletin - Conyers Office

Many of our clients visit with one of our attorneys for advice concerning a particular legal matter. Since that is the case, we wanted to advise our existing clients of the wide variety of services we provide.

Talley, French & Kendall, P.C. is a full-service law firm. Our law practice is best described as a general civil practice firm. Many of you know our partners, Mo Talley and Laura French. Mr. Talley's practice focuses primarily on real estate and property issues and related transactions. Ms. French concentrates her practice in the areas of estate planning (wills, trusts, estates, powers of attorney) and probate matters, as well as corporate law. However, it is hard to categorize the many areas in which we practice.

We also offer services in the areas of adoption law, employment law, nonprofit companies, banking law, contract law, and civil litigation covering a wide variety of topics. Both partners have experienced and professional support staff, including associate attorneys, paralegals and legal assistants, to aid in all areas of client service. If there are practice areas not listed here in which you need assistance, please contact us. If it is a matter we do not handle, we will help you locate alternative legal counsel.

Mr. Talley and Ms. French are committed to providing the highest level of professional service to firm clients in the most efficient and economical manner possible. If either Mr. Talley or Ms. French may be of service to you, please contact them directly.

As always, we appreciate your business and loyalty to our firm.
